Workshop Presenters:
Kay Hempsall has been the Manager, Organisational Development at UNE for the last two years and is the current President, ATEM NSW Branch. Prior to this she worked as a consultant trainer and educator in the private and Government sectors for 10 years. She also worked as a high school teacher for 10 years. Her qualifications include two degrees BA Hons (UK), MSc (UNE), a Dip Ed (UNE) and several professional training certifications. Kay believes that learning and managing change are integral parts of the working environment.

Anna Bounds is the Director, Organisational Development at CSU and a member of the ATEM NSW Executive. Her background is in education and human resources and she has worked in the private, community & tertiary sectors. She holds a B.Ed and a Postgraduate Diploma in Personnel & Industrial Relations, & has certificates in Alternative Dispute Resolution and TEFL. Anna is committed to transformational learning and fostering organisational change at a systemic level.
